WHAT IS THE POLAR PLUNGE?

The Polar Plunge is an annual event taking place throughout the state of Kansas to raise money for Special Olympics Kansas. Each year, brave individuals jump into the icy waters of Kansas pools or lakes to support Special Olympics athletes. These brave individuals prepare for the event by fundraising during the weeks leading up to your big plunge! All proceeds from the event go toward programs for Special Olympics Kansas athletes!

WHAT IS THE POLAR STRUT?

The Polar Strut is a fun run that can range up from a mile up to a 5K or walk held in conjunction with a Polar Plunge event. The Strut is for anyone who wants to take a brisk walk or run in the cold winter weather. For individuals who are taking the Plunge, this is a great way to warm up before cooling down in the water. For those not taking this Plunge, this is a great way to be a part of the event without taking an icy dip.

YOUR PARTNERSHIP CREATES

Sports Training and Competition

We offer 20 year-round sports from team sports like basketball, volleyball, and softball, to individual sports like bocce, track and field, and swimming. We even offer winter sports including snowshoeing and downhill skiing.

Leadership Opportunities

We offer training for our athletes to become leaders in Kansas communities. Our athletes take courses in public speaking, governance, and healthy habits to become global messengers, SOKS health messengers, committee and board members, and even become coaches.

Health and Wellness Programs and Screenings

We provide free health screenings to athletes at competitions and stand-alone events throughout the year by trained medical professionals. The screenings focus on vision, hearing, dental, general fitness, and healthy habits. We are even able to provide free glasses to athletes in need.

Inclusive Schools and Communities

We provide curriculum and materials to schools for grades K-college level for inclusive programs including adaptive sports, inclusive youth leadership, and whole school engagement for inclusive activities.

Lasting Friendships

At the heart of all of our programs is our passion for our athletes to experience joy and participate in a sharing of gifts, skills, and friendship with their families, other Special Olympics athletes, and the community.

Ongoing Impact

Be part of the plunge moment as we have accomplished over 1200 Polar Plunge shirts printed, over 25,000 e-newsletter subscribers, over 1600 spectators at our events and mucy more!
