

ABOUT THIS TOURNAMENT

Over 350 athletes and Unified partners from Special Olympics Programs across North America will travel to the center of the United States this October to compete in all five levels of Special Olympics Golf! Cheered on by family members, friends and the Wichita community, we welcome your hospitality and involvement to make this a wonderful experience for everyone!

SPECIAL OLYMPICS

The mission of Special Olympics is to provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community.
