

# STATE COMPETITIONS

Our state competitions bring together hundreds of athletes from across the state to showcase their talents and determination in a variety of sports. Be a part of a movement that fosters inclusion, transforms lives, and unites communities. Together, with family, friends, volunteers, coaches, and staff, we can champion the extraordinary abilities of every athlete.

# SPECIAL OLYMPICS

The mission of Special Olympics is to provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, and the community.

# BEYOND SPORTS

We believe in the power of sport, but we believe in much more than that! Special Olympics Kansas offers free health screenings to athletes through the Healthy Athletes program, creates community leaders through the Athlete Leadership program, and has implemented the Unified Champion Schools strategy to hundreds of elementary, middle, and high schools as well as universities across Kansas.

# MAKE AN IMPACT BEYOND SPORTS

Find out what your ROI (Return on Inclusion) could be.

## #ONETEAM

We believe everyone - athletes, coaches, volunteers, staff, Unified partners, Clinical Directors, sponsors and partners - are our teammates. We're working towards a world of inclusion. Together, we are One Team.
